A. The purpose of this Amendment is to provide offerors an alternate form as outlined below to the requirement of completing Form L-3 (Staffing Matrix)

Completion of either the original Form L-3(as revised), Attachment 1, or the alternate described below is required. Either option is acceptable to the Government.

B. FORM L-3 ALTERNATE (Staffing Matrix Alternate)

A blank copy of the Form L-3 Alternate is hereby attached as Attachment 2.

C. SPECIFIC INSTRUCTIONS FOR FORM L-3 ALTERNATE (Staffing Matrix Alternate)

NOTE: Provide a SEPARATE sheet for each position proposed.

1. Position Proposed:

Individually identify each position offered by job title, or labor category.

2. Position Number or Code:

Sequentially number each position.

3. Year:

Indicate the year of performance the data provided applies to by circling the appropriate choice.

4. PWS Paragraphs Supported:

For each position proposed, list all PWS paragraphs and sub-paragraphs supported. Offers may identify paragraph and subparagraph to only the third sub-paragraph level {(e.g. 5.2.1) (5=1st level, 2=2nd level, 1=3rd level)} if they verify that all productive time devoted to lower level sub-paragraphs (fourth level and lower) associated with the third sub-paragraph level has been included. As an example:

Offer lists PWS para 5.1.3 under Position 46 and provides offeror's representation that it includes all hours for 5.1.3.1 and 5.1.3.2.

If a position supports all PWS functions, such as a program manager(if proposed), the offeror may state that in the comments section rather than list every PWS paragraph in the solicitation.

5. Productive Hours Allocated to PWS Paragraphs Supported:

For each subparagraph listed in 4, list the corresponding productive hours for the year.

Productive hours allocated to sub-paragraphs shall be presented individually (i.e. standalone from any other sub-paragraph) with the exception of any roll-up from the 4th or lower level sub-paragraph to the third sub-paragraph level the offeror chooses to make.

6. Comments:

Offeror to include specifics on the basis for calculations as required by the General Instructions for Form L-3 ALTERNATE.

Offeror is also provided space to include any comment believed to enhance the Government's appreciation of the offeror's understanding of the PWS requirements. (Optional)

7. CERTIFICATION:

Circle as appropriate.

GENERAL INSTRUCTIONS FOR FORM L-3 ALTERNATE (Staffing Matrix Alternate):

- Offerors have the option of completing Form L-3 ALTERNATE (Staffing Matrix Alternate) for only the base year of performance. If only base year data is submitted, the Government will apply the base year data, as submitted, to all option periods. If specific data is submitted for the base and option years, the Government will apply such data as submitted.
- Offerors shall specify the productive hours used in completing this form. Provide the calculation used to develop the productive hours, including benefit hours associated with holidays, vacation, sick time, and training. Include this data in the Section 6 - Comments of

the form. The information need only be provided once, the first time it is used, if it clearly indicates which positions the specific data applies to.

E. The original Form L-3, Staffing Matrix is hereby deleted in its entirety. A revised Form L-3, Staffing Matrix is hereby incorporated. Note: Do not confuse this revised Form L-3, with the Form L-3 ALTERNATE discussed above. The original Form L-3 has been revised to facilitate its use, if an offeror elects to complete it rather than use Form L-3 ALTERNATE.

Please Note: Each sub-paragraph presented should be exclusive of any hours contained within its further divided sub-paragraphs and all sub-divisions of any paragraph should add-up to 100% of the hours for the paragraph that was divided into those sub-level paragraphs.

F. There are no other changes/revisions to the solicitation and the time and date established for receipt of offers remains unchanged at 4:00 PM local time on 23 March 2001.
